## Subpart B—Coordination With the Workforce Investment Act

### § 641.200 What is the relationship between the SCSEP and the Workforce Investment Act?

The SCSEP is a required partner under the Workforce Investment Act. As such, it is a part of the One-Stop delivery system. When acting in their capacity as WIA partners, SCSEP grantees and sub-recipients are required to follow all applicable rules under WIA and its regulations. (29 U.S.C. 2841(b)(1)(B)(vi) and 20 CFR 662.200 through 662.280).

In addition to providing core services, as defined at 20 CFR 662.240 of the WIA regulations, SCSEP grantees and sub-recipients must make arrangements through the One-Stop delivery system to provide eligible and ineligible individuals with referrals to WIA intensive and training services and access to other activities and programs carried out by other One-Stop partners.

The Workforce Investment Act creates a seamless service delivery system for individuals seeking workforce development services by linking the One-Stop partners in the One-Stop delivery system. Although the overall effect is to provide universal access to core services, SCSEP resources may only be used to provide services that are authorized and provided under the SCSEP to eligible individuals. Note, however, that one allowable SCSEP cost is a SCSEP project’s proportionate share of One-Stop costs. See § 641.850(d). Title V funds can be used to pay wages to SCSEP participants receiving intensive and training services under title I of WIA provided that the SCSEP participants have each
